**RANGE DIMENSIONS**

(Subject to change. Consult the product manual or contact Elmira Stove Works for complete and current dimensions.)

Four-Burner Models: Our standard leg four-burner models will fit into a 50-1/4" countertop opening * and 30-3/4" lower cabinet opening **. Short leg models, or countertops higher than 36", require a minimum 31" countertop opening and 30-3/4" lower cabinet opening.

Six-Burner Models: Our standard leg six-burner models require a minimum 44-1/2" countertop opening *. Short leg models, or countertops higher than 36", require a minimum 45-1/2" countertop opening.

* Recommended countertop overhang is 1".
** Required lower cabinet opening on 4-burner standard leg models can be reduced to 30-1/4" by removing side skirts.
